Joe Alexander & Kevin Moore

Cultural Volunteer of the Year Honorees

Joe Alexander and Kevin Moore

Each year, Joe Alexander and Kevin Moore contribute many hours maintaining the three buildings that comprise the Belgian Heritage Center. They provide professional project management that would otherwise cost the organization thousands of dollars. In addition to ensuring the physical health of the buildings, Kevin is BHC's master booyah chef and Joe is the President and Chairman of the Board of Directors overseeing all operations, including retail, volunteers, visitors, and technology support. They are co-chairs of the Event Committee, responsible for major public events including Kermis.
